ADVERTISEMENTS

Now, Pause a moment . . . .

Your school years are nearly one-third of your life. These years are formative years....in them are the experiences which mold you as a person. They are the most important years of your life.

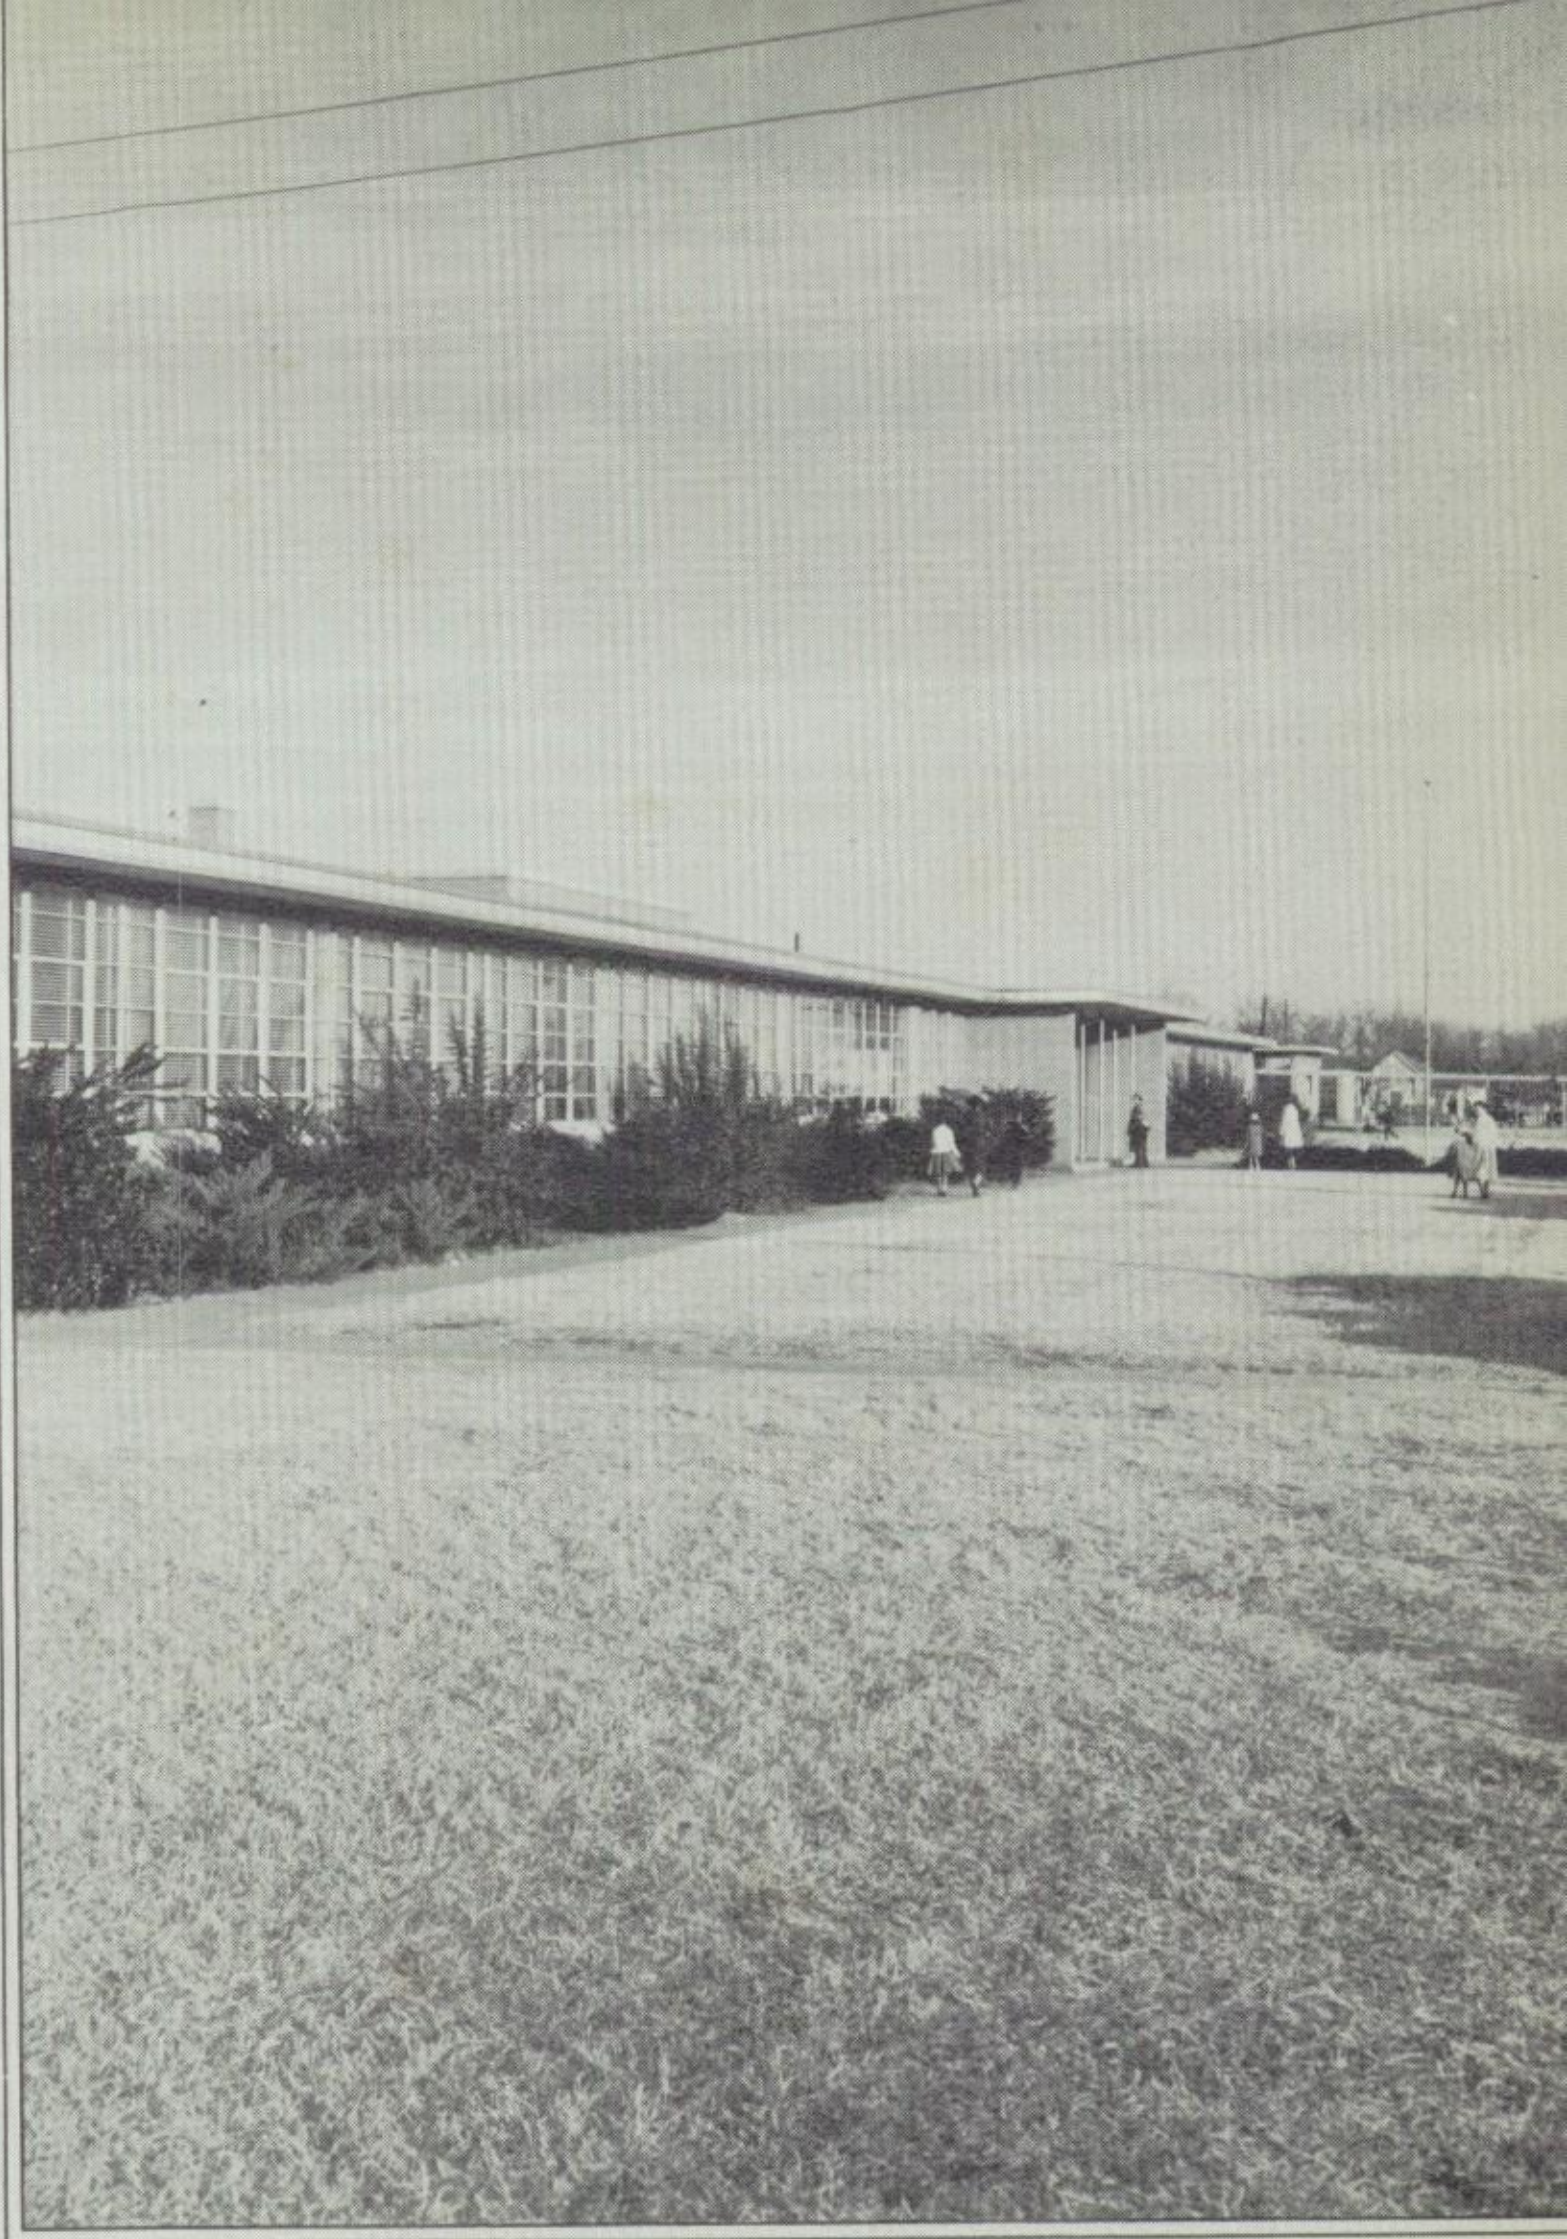
Yet, you exert an even more important force of the school.... You are the school. The Haskell Public Schools are people.... YOU....and it is for that reason, the Chieftain Staff has tried to picture "This Year at Haskell Public Schools"....in terms of 'YOU'. We tried to show you having fun during the noon hour, marching glumly out of class after a test, yelling with full gusto after the Indians score.

While it was easy to record these physical experiences we found it harder to record that inner spirit that makes you a Haskell Indian. So we decided to represent it by a caricature..... you'll see him featured in the color picture and on the division pages. This nameless Indian is that all important Spirit that makes you stand a little higher when the School Song is played.... that makes your ears perk up and your eyes brighten when Haskell Schools are mentioned.... that makes YOU.

So to You, Mr. and Miss. Haskell Public Schools of 1959 we are glad to say: <u>THIS IS YOUR LIFE.</u>

Sincerely,
Becky Busby

ELEMENTARY SCHOOL



Your first day of school life is "invariably" exciting . . . . . yet it is only the first of many days that will take you in and out the doors of the Haskell Public Schools . . . . .

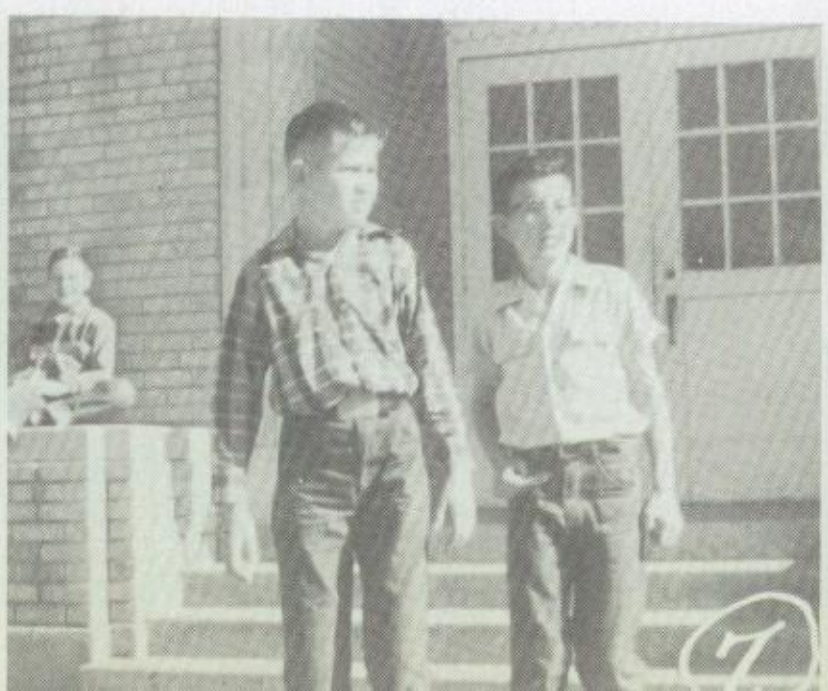
MANY ACTIVITIES ARE PRESENT AROUND JR. HIGH'S TEE PEES

1. Roddy Middleton is trying very hard to convince Lonnie Decker and John Kimbrough that he is a big Warrior now!
2. This flag represents a democratic way of life for all Jr. High Warriors.
3. James Gay and Ken McCollum make a lovely sight for all history teachers.
4. It is apparent that Billy Carter, Dwight Stone, Jackie Harvey get "heap big kick" from photographer.
5. Some Jr. High beauties are Misses Branch, Burson, Wall, Turnbow, and Norton.
6. Royce Brandsetter and Jack Hutson are soaking up plenty of Vitamin "D".
7. David Ray and Stanley Rhone are two little Indians looking for some fun, but Benny Nanny just sits.
8. Do you call that a pretty pose Betty Pitman, Nancy Hodge, Sandra Huggins, and Jackie McCoy?



Jr. High is the years of preparation for better "Hunting Grounds". It is filled with excitement, fun, and hard work, too.

1. Are Gene Merchant and Pinky Sherman planning to make studying a habit.

2. These boys know the value of a good library. (J. Harvey, V. Ivey, K. Weaver, and G. Flannary).

3. It seems like Jr. High is popping with good mathematicians according to K. Weaver, J. Underwood, T. Murphy, R. Coburn, and Ronnie Knight.

4. Marlene Letz and Joanie Watson pause for a brief minute after a busy hour!

5. Phyllis Cooper, La Vern Jones and Betty Burger are all smiles at the end of a hard day.

6. Jan Renfro admires Merrilan Crawford's balance of knowledge.

7. Don Thompson and Don Stone find that lunch is an interesting subject.

8. Trisha Chrietzberg and La Vern Jones believe that education begins with the stomach!

LET'S TAKE SOME MORE PEEKS AT JUNIOR HIGH ACTIVITY:

1. During class break, Joel Nanny tries to escort Charlotte Redwine through hall traffic.
2. Joanie Watson, Mary Gipson, Patsy Roberson, and Shirley Smith really enjoy these pow-wows with their classmates.
3. Curtiss Griffin, Benny Nanny, Don Thompson, and Franklin Abbey seem to rest better perched on the bicycle racks.
4. Joanie Watson and Mary Galvan try their skill at keeping the Junior High Library straight and neat.
5. Watching two guys scuffling makes Danny Bowen decide its to rough for his type of play.
6. Jenabeth Weaver, Patsy Roberson, Gary Muegge, Phil Spain, Kenneth Cook don't just stand there, the bell rang!!

"Toward new horizons" is the motto of the Future Homemakers.

The Freshmen Homemakers study in their cooking classes the seven basic foods and how to plan menus, and prepare breakfasts.

In Sewing I the girls learn about different types of material. They study the parts of the machine and make simple garments such as cup-towels, aprons, skirts, and blouses.

The Sophomore homemakers in their sewing classes make simple dresses for themselves. In the cooking class they prepare lunches.

Margaret Herren received the Betty Crocker "Homemaker of Tomorrow" award this year, Margaret is a senior and is taking Homemaking IV.

Homemaking IV Wedding

The Mother of the Bride (Becky Griffin) is ushered in by Kay Wiseman while the other guests look on.

Looks as though there are a few sad faces as the bride (Frances Bartley) and the groom (Flieta Roberts) leave.

WHO'S WHO IN H.H.S.

Who's Who . . . the top personalities in Haskell High . . . . . outstanding leaders whose achievements have earned them deserved recognition . . . . a reflection of the very best in our school.

The year 1958-59 has been a full one for BECKY BUSBY. Most important, she was chosen to the honored position of editor of the 1959 CHIEFTAIN. The petite Miss Busby was also elected Campus Favorite by the student body. Hard-working Becky is a three year member of the Owl Club, serving as secretary her Junior year and president her Senior year. The National Honor Society and the Quill and Scroll Society also count her among their harder working members. Rounding out her busy school days are her varied activities in speech, music, and the Pep Club. She is an active member of the First Presbyterian Church. Becky's future plans are to enroll in North Texas State Teachers College where she plans to be a Business Administration major.

After transferring from Seymoour in 1957, REBECCA GRIFFIN soon became an honor student in Haskell High School. In addition to her displaying superior ability in mathematics, she has managed to shower some of her many talents on the WAR WHOOP while serving as editor during her Senior year. Her creative ability is revealed in the Personality Section of the 1959 CHIEFTAIN. Two year's membership in the Future Teachers netted her its presidency. She is a four year member of the Future Homemakers, a two year member of the National Honor Society, and a member of the Quill and Scroll Society, in which she serves as reporter. Her classmates have shown their respect and admiration for her by electing her their representative on the Student Union Council, selecting her to the DAR Good Citizenship Contest, and electing her Senior Class Favorite. Rebecca plans to major in mathematics.

LEWIS JONES, one of the most admired Indians on the campus, divides his time admirably between athletics and scholarship. His enviable grades, especially in math and science, combined with his record of service as Junior class president and Senior class vice-president, earned him a two year berth in the National Honor Society. Yet Lewis performs equally well on the athletic field. Playing end on the Indian Squad, he has earned the coveted "H" in football for three years. He displays many talents on the basketball court, playing guard, and has lettered for two years. Lewis, a Sophomore Class Favorite, has run track for three years and is a member of the H-Club.

Indian Field suddenly became Rike field, o one would be surprised except modest OHN SAM RIKE. John Sam, a three year etterman, has participated in H. H. S. foot- all with an enthusiasm and perseverance hat has led to his earning Honorable Mention n the All-State Football team, in addition to he Sportsmanship Award and Most Con- cientious Player Award. He also excels in rack and baseball in which he has represented askell for three years. At the same time ohn Sam has compiled a good record in the lassroom and is a member of the National onor Society. His friendliness and willing- ess to work resulted in his being elected resident of the H-Club, president of the Stu- ent Union Council, and various offices in he M. Y. F. at the Methodist Church which e attends. One of the Southwest Conference chools will enroll John Sam.

JIMMY VAUGHTER, a second year electee to Who's Who, might well be called "Mr. Haskell High". While maintaining an "A" average -- he was a National Merit Scholarship semi-finalist--, he has represented the school for two years in the Texas Interscholastic League Extemporaneous Speech Contest, where last year he placed 2nd at the State Meet. He also won the Best Actor Award at the Regional One-Act Play Contest. Serving as yearbook photographer for two years and as the assistant editor for the '59 CHIEFTAIN, working as Senior Class President and as president of the Quill and Scroll Society, and holding the office of president of the District Methodist Youth Fellowship are all part of Jimmy's busy day. He is a member of the National Honor Society, and the Spanish Club and was elected Campus Favorite by the student body. Jimmy, who served as a Page in the House of Representatives during the 2nd session of the 85th Congress, plans to study law and dabble in politics.

Qualifications For Who's Who

Who's Who are students chosen by the Faculty who, by comparison with the average of their classmates:

1. Have shown themselves to better all-round citizens.
2. Have greater potentialities for future usefulness in themselves and to society.
3. Have shown a superior or above average proficiency in the following fields of endeavor:
   a. Scholarship
   b. Athletics
   c. Publications
   d. Speech
   e. Music
   f. Leadership and service in school, church or community activities.
   g. Membership and services in offices held in school organizations.
   h. Useful and successful hobbies.

SPORTS

. . . . . the memory of chilling winds, the bright lights, the sight of the Black and Gold making their appearance . . . . . the scream of the "charge" . . . . . the flash of the ball . . . . . the blast of the Indian Band . . . . . will it . . . . . can it ever fade . . . . .
